Tucked along desirable Kahako Street in Kailua, this beautifully renovated 3-bedroom, 2-bath home blends modern updates with effortless boho charm. The kitchen and bathrooms have been thoughtfully remodeled, creating a fresh, move-in-ready interior filled with warmth and style. Out back, a covered deck invites relaxed island living — morning coffee, sunset dinners, and easy entertaining. The tiered garden is a true highlight, offering layers of lush greenery and privacy, plus your own tropical orchard with coconut, papaya, banana, cacao, soursop, and Tahitian lime trees. A small fenced yard and outdoor shower make post-beach days a breeze, and dedicated surfboard storage keeps gear organized and ready with additional storage under the house as well. Energy efficiency shines with 27 owned solar panels, two Tesla Powerwalls, and an EV hookup in the spacious 2 car garage — sustainable island living without compromise. A closed backyard setting and exceptional outdoor spaces complete this Kailua retreat.
